### § 334.1 Purpose.

The purpose of this part is to:

- (a) Prescribe procedures for establishing, amending and disestablishing danger zones and restricted areas;
- (b) List the specific danger zones and restricted areas and their boundaries; and
- (c) Prescribe specific requirements, access limitations and controlled activities within the danger zones and restricted areas.

### § 334.2 Definitions.

(a) *Danger zone*. A defined water area (or areas) used for target practice, bombing, rocket firing or other especially hazardous operations, normally for the armed forces. The danger zones may be closed to the public on a full-time or intermittent basis, as stated in the regulations.

(b) *Restricted area*. A defined water area for the purpose of prohibiting or limiting public access to the area. Restricted areas generally provide security for Government property and/or protection to the public from the risks of damage or injury arising from the Government's use of that area.

[58 FR 37607, July 12, 1993]

### § 334.3 Special policies.

(a) *General*. The general regulatory policies stated in 33 CFR part 320 will be followed as appropriate. In addition, danger zone and restricted area regulations shall provide for public access to
